

65229 Heavy Duty Stainless Grill Brush

Broil King
Great Barbecues Every Time

MEETS  Z630:20
STANDARD

This Heavy Duty stainless steel grill brush meets the CSA Z630:20 Standard requirements. It offers extra thick and extra long stainless bristles for heavy duty deep clean.

The ergonomic handle features the patented 'Grime-Guard' flap to prevent unwanted grease spatter, an integrated wooden scraper tip, and a convenient hanging hook.

This is one serious brush, for a seriously clean grill.

WARNING:

Stop using if any bristles are found on the grill.
Bristles can get into the food and cause serious injury.
Replacement after one year of use is recommended.
