NOTES

1. Blanket is worked in one piece in joined rnds in a circular ripple pattern.

2. The ripple pattern consists of 12 "points" and 12 "valleys". There is a space at each point and valley. The space at each point is formed by the ch-2 sp of a shell. The space at each valley is formed by skipping 2 sts. As rnds are worked, a shell is worked in the ch-2 sp at each point and 2 stitches (1 st on each side of the sp) are skipped at each valley.

3. After Rnd 3, the yarn color is changed on every other rnd.
