STITCH EXPLANATION

sc2tog (Sc 2 sts together) (Insert hook in next st and draw up a loop) twice, yarn over and draw through all 3 loops on hook – 1 st decreased.

NOTES

1. Mittens are worked in continuous rnds (spiral) from the cuff upwards.
2. Stitches are skipped to leave a thumb opening. Later the thumb is worked directly into the thumb opening.
3. The yarn consists of both fur and smooth sections. To change from fur to smooth yarn, work last fur stitch to last yarn over. Cut the fur yarn, leaving a yarn tail to weave in later. Cut away any remaining fur yarn. Yarn over with the smooth yarn and draw through all loops on hook to complete stitch. Proceed with the smooth yarn.
4. Almost all of the yarn is used. To make sure you have enough yarn, do not leave tails longer than 2-3 in. (5-7.5 cm).

MITTENS (MAKE 2)

Note: To make it easier to begin working in rnds without twisting the foundation chain, this design starts with a simple row of single crochet. The row is then curved into a circle and a stitch is worked into the first stitch of the row to begin working in rnds.

Cuff

Begin at the fur end of the ball of yarn and leaving a long tail, ch 13.

Row 1: Sc in 2nd ch from hook and in each ch across – you will have 12 sc in this row.

Rnd 1 (RS): Do not turn, being careful not to twist sts curve Row 1 into a circle, sc in first st of Row 1 and in each st around; do not join, work in continuous rnds (spiral) – 12 sc.
