GAUGE

17 sts + 25 rows = about 4 in. (10 cm) in St st (k on RS, p on WS).

One Square = about 4 3/4 x 4 3/4 in. (12 x 12 cm).

BE SURE TO CHECK YOUR GAUGE.

STITCH EXPLANATIONS

kfbf (knit into front, back and then into front again)

A double increase worked as follows:

1. Knit the next st through the front loop, but do not remove the st from your left hand needle.
2. Knit the same st again, this time inserting your needle through the back loop of the st. Do not remove the st from the left hand needle. You will have created 2 loops (sts) on your right hand needle.
3. Knit the same st once more, inserting needle through the front loop of the st. You will have created 3 loops (sts) on your right hand needle.
4. Drop the st from your left hand needle – you have increased 2 sts.

MB (Make Bobble)

1. On RS, kfbf in next st (3 sts worked onto right needle).
2. On WS, turn and knit across the 3 sts.
3. On RS, turn and purl across the 3 sts.
4. On RS, Pass 3rd and then 2nd st over first st and off right needle.

sk2p (slip-k2tog-pass slipped st over)

A double decrease worked as follows:

1. Insert right needle as if to knit, and slip the next st from the left needle to the right needle.
2. Knit the next 2 sts together.
3. With tip of left needle, lift the slipped st (the 2nd st on right needle) up and over the k2tog (first st on right needle) and off the needle – you have decreased 2 sts.

yo (yarn over)

An increase that also creates a small decorative hole (eyelet) in the fabric, worked as follows:

1. Bring yarn to front, between the needles.
2. Take yarn to back, over the right needle. This creates the new st. You are now ready to proceed with the next st as instructed.

NOTES

1. Shawl is worked in two sections: Upper Section and Lower Section.
2. Upper Section is made from 10 mitered squares and 5 mitered triangles joined together to form a large triangle. Each mitered square and triangle is worked back and forth in rows with decreases at center of each RS row. They are attached to one another in a modular fashion, as you knit. Refer to Diagram for placement of mitered squares and triangles.
3. Sts are picked up along diagonal edges of Upper Section to beg Lower Section. Lower Section is worked back and forth in rows, with increases at beg, center and end of each RS row.
4. A circular needle is used to accommodate the number of sts. Work back and forth in rows on the circular needle as if working on straight needles.
