NOTES

1. Pullover is made in 3 pieces; Body and 2 Sleeves.
2. Body is worked in rnds from the lower edge up to underarms. Piece is then divided and Front and Back are worked back and forth in rows to shoulders.
3. Sleeves are worked separately, back and forth in rows.
4. All pieces begin with a ribbed lower edge. Remainder of each piece is worked in St st, changing color following a Fair Isle pattern Chart.
5. Stitches are picked up around neck edge for neckband.
6. When you see 'as established' in the instructions, this means to continue in the current pattern st, changing yarn color following Chart, and lining up sts as in previous rows/rnds.
7. When you see 'work even' in the instructions, this means to continue on in the pattern st you have established without changing the st count by increasing, decreasing or binding off.

CHART NOTES

1. There are 2 Charts, 1 for child sizes and 1 for adult sizes.
2. The Fair Isle patterns are worked following Charts. When working in rnds, read all rnds of Chart from right to left. When working in rows, read RS rows of Chart from right to left and WS rows from left to right.
3. When changing yarn color, do not cut old color. Carry color not in use across WS of piece.
4. When you've worked the last rnd/row shown on the Chart, begin again with rnd/row 1.
