## NOTE

The Cowl begins with a Set-Up Row and then is worked in the round.

## COWL

Chain 32.

Set-Up Row: Work a single crochet into the 2nd chain from the hook and in each chain across. Join the ends of the row with a slip stitch in top of the beginning chain to make a ring, now you can begin to work in the round.

**Round 1:** Chain 1, sc in each stitch around; join with a slip stitch in top of the beginning chain.

### Note

As you work the following rounds, you may find it difficult to see your stitches. We found it easiest to 'feel' for the next stitch.

Repeat Round 1 until you don't have enough yarn remaining to work another round.

*Fasten off.*

## FINISHING

Using your fingers and the beginning yarn tail, weave the beginning and the end of the Set-Up Row together, then finish weaving in the yarn tail.

Use your fingers to weave in the remaining yarn ends.
