STITCH EXPLANATIONS

k1b (knit 1 in row below): Looking at the next knit st on the left needle, insert the tip of the right needle through the center of the st in the row below it and knit, slipping both it and the st above off the left needle.

p1b (purl 1 in row below): Looking at the next purl st on the left hand needle, insert the tip of the right needle through the center of the st in the row below it and purl, slipping both it and the st above off the left needle.

NOTES

1. The entire length of the Scarf is cast on at the beginning. If you'd like to make a shorter piece, just cast on fewer stitches making certain to cast on an even number.
2. Optional: If you use the tubular cast on, you'll cast on your stitches and work the 2 foundation rows back and forth before joining to work in the round. This leaves a small opening that you will sew closed at the end.
3. Helpful tip-- if you choose the tubular bind off, you'll need a 5-6 yd. (5-6 m) yarn tail.
4. The tubular cast on and bind off are very stretchy and allow the pattern sts to relax. Other cast ons and bind offs will create a slightly different look. A long tail cast on and standard bind off will also work well for this piece.

SCARF

Using your favorite method (designer used tubular), cast on 360 sts. Place marker for beginning of rnd and join, being careful not to twist sts.

Beginning border

Rnds 1-4: *K1, p1; rep from * around.

Fisherman's Rib pattern

Rnd 1: *K1b, p1; rep from * around.

Rnd 2: *K1, p1b; rep from * around.

Rep Rnds 1 and 2 until piece measures about 6 1/2 in. (16 cm) from beginning.

Ending border

Rnds 1-4: *K1, p1; rep from * around.

Bind off loosely in rib pattern (or use tubular bind off if you used the tubular cast on).

FINISHING
