FINISHING

Choose one side of the Throw to be the right side.

Lay Throw onto a pinnable surface (blocking mat, mattress, clean rug) with right side facing.

Shape chains into shapes and pin onto Throw, arranging as desired.

Once satisfied with placement, thread blunt needle with a 24 in. (61 cm) length of matching yarn.

Bring needle up from wrong side of Throw through first ch.

Next, draw needle through second ch from right side to wrong side of Throw. Continue in this way, drawing needle through each ch, until shape is fully attached.

Cut yarn and knot ends on wrong side of Throw.

Repeat to attach remaining chains.

Weave in ends.

Supplementary Photos

Hold shapes in place with T-pins.

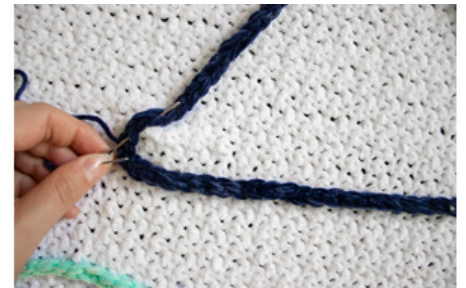

Keep the "V's" of each chain facing upwards.

Here, each shape is pinned in place, ready to be seamed.

When sewing shapes onto Throw, draw needle through the chain and the Throw.
