### NOTES

1. Sweater is made in 3 pieces: Body and 2 Sleeves.
2. Back is worked first from lower back edge up to shoulders, changing yarn color following Chart. Left and right fronts are then worked from shoulders down to lower front edge, continuing to change yarn color following Chart.
3. Read Chart as follows:
  - a. Always move yarn strand from color change on WS of work. On odd rows the WS will be the side of the work away from you. On even rows the WS will be the side of the work facing you.
  - b. Read odd-numbered rows from right to left and even-numbered rows from left to right.
  - c. Black vertical lines define the sizes. Begin counting the black vertical lines from the center. The 2 lines closest to the center are for size XS, the next 2 lines are for size S and so on.
4. Two strands of yarn are held together throughout this pattern.
