

The background is a dark brown color with several thin, white, hand-drawn lines crisscrossing it. The lines are of varying lengths and orientations, creating a grid-like but irregular pattern. The lines are most prominent in the upper and lower portions of the frame, with some crossing each other.

**RESPONSIBLE LUXURY**

de Le Cuona is not just a fabric house but a luxury brand with a vision for the future. It is rooted in nature and serious about sustainability. All fabrics are crafted from natural fibres. Bernie de Le Cuona has always been conscious of her sources and works exclusively with specialist mills to ensure she knows the origins of every natural fibre used. She is passionate about creating fabrics and accessories that are designed for longevity, in style, materials, and life cycle. It is her mission to create beautiful products, of the highest quality with minimal impact.
