No. (1265) Trefoil Round Table Ø90, Oak / No. (1266) Trefoil Round Table Ø90, White Oak

## Dimensions:

H: 72,5 cm / 28.5", Ø: 90 cm / 35.4"

## Product description:

A centred column of elegant solid oak elements supports the round designer table, creating an apparent contradiction of lightness and substantiality. The small gaps in between the segments of the column add to the elegance and visual complexity of the wooden table. The centred legs make it possible to sit around the table in comfort with much more leg room for everyone. The table is equally perfect for a home environment or a hospitality setting.

## Designer's thoughts:

"The aim was to create an interesting shadow effect where four legs meet each other in a symmetric line. The four legs stand very close together and shape the characteristic construction of the table" – Herman Studio

Natural oil treated

White oil treated
