Adventure
this way!

my Dinky Bear

Dear Adventurer,

We would like you to meet My Dinky Bear, a very friendly bear who loves exploring and having fun! Dinky loves making new friends he's so excited to meet you and cannot wait to follow you on your adventures!

Adventures big and small, Dinky loves them all! Make a den in the garden; take a scooter ride to the park, or share all about your big holiday. You can also draw a picture or stick in a photo of your adventures and decorate the page with stickers & oodles of doodles to make it really colourful.

Once you've completed your Dinky Journal share your stories with your friends at school and all your family and show them the big adventures you've been on.

We hope you
have lots of
fun together!
