The Annual Open Exhibition is the RWA's biggest exhibition, now in its 171 year! It attracts over 4,000 submissions from artists, amateur and professional, and coverage in regional and national media. With over 600 pieces of work exhibited, the exhibition is the highlight of the regional visual arts programme. Following our £5m transformational capital project, we are anticipating visitor numbers in the region of 70,000 people to the building during this exhibition.
