Bolzano is located in the middle of a valley basin surrounded by hilly vineyards that grow from 200 meters above sea level up to 1000. This elegant wine comes from selected vineyards around Bolzano and really delivers with fresh, floral aromas and a nice acidity. Expect golden delicious apples, pear; and a light scent of peaches and pineapples on the nose and palate.

A wine like Pinot Blanc is best suited to foods with more subtle flavoring. It will match up well with soft cheeses, salads with cream dressings and flaky fish.

Wine Align

90 points - Michael Godel

A pinot bianco in Adige clothing of smart freshness and fruit-centricity out of the higher reaches of the Bolzen amphitheatric bowl. Some herbology but really just fresh, cool and smart. Drink 2019-2020. Tasted November 2019.
