### Tropical & Mineral

This is by far one of the coolest Sauvignon Blanc wines we have ever tasted. This white wine is made next door to Auxerre, in the region of Chablis. It's kind of a unicorn wine: in Burgundy, Chardonnay and Aligoté are generally the only white varieties allowed to be grown. However, St Bris is the exception! This white Burgundy is made with 100% Sauvignon Blanc. The St Bris has aromas of citrus fruits like grapefruit and mandarin orange that jump out of the glass, this is followed by peach, and crushed blackcurrant leaves with light exotic scents like lychee. This complexity on the nose follows through on the palate which is textured, soft and floral, with a distinct minerality on the finish.

St Bris calls for oysters! It's also a wonderful choice with herb-driven sauces over chicken and fish dishes. We also love pairing it with Vietnamese and Thai meals with lots of lemon-grass, and fresh cheeses.
