### DIRECTIONS:

When cutting be aware of directional prints.  
Sew with a ½" seam allowance unless otherwise specified.

### Preparing Back Pieces:

Fold ½" towards the wrong side, press. Fold over again 1/2," topstitch along fold.

### Finishing Option 1:

Place the pillow front pieces right sides up. Place backing rectangles on top, right sides together, aligning raw edges. Hemmed edges of backing pieces will overlap. Stitch around all sides with ½" SA, back stitch over hemmed back pieces. Clip corners. Turn right side out.

### Finishing Option 2:

Place the front pieces and back pieces wrong sides together, aligning raw edges. Stitch around all sides with a SCANT ¼", then a second stitch at a full ¼" and finish with binding.
