Hello Mont Marte Joe here again, today we will be creating an art work featuring colourful fireworks in the night sky. We will be using Acrylic Paints and 3D pens to create this effect.

So grab your Mont Marte art materials and ...

Let's get into it!

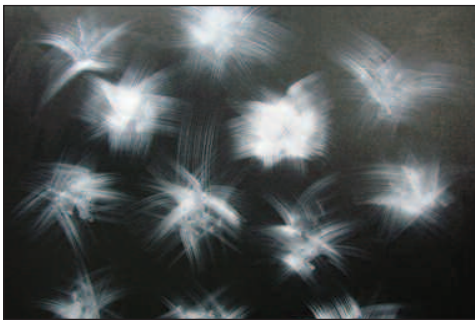

Material List

CMMD9090	Mont Marte Double Thick Canvas
MCG0037	Mont Marte Acrylic Paints 12 ml 12 pce
PMSA0011	Mont Marte Acrylic Paint 100 ml Lamp Black
MPB0056	Mont Marte 75 mm Taklon Artist Brush
MMKC0031	Mont Marte Kids Colour 3D Paint Pen Set

Step 1: Painting the Background

Paint the entire Canvas with Black, using a 75mm Taklon Flat Wide Brush. Then leave that to dry.

Step 2: Painting on White

Again use the 75mm Taklon Flat Wide Brush, lightly drag it through the White. Make firework shapes by brushing outward in different directions from the same spot.

Adding White makes the colours stand out on the Black.

Step 3: Painting the Firworks

Using any colours you like, repeat step 2 over the top of the White areas.

Step 4: Adding Gliiter Detail

Add streaks of Glitter with the Kids Colour 3D Paint Pen Set on the Firworks and allow the painting to dry on a flat surface.

I hope you enjoyed this lesson and until next time...
