# Make Your Own Straw Rocket

Suitable For 3+ Years

Let's EXPLORE

# What You Will Need:

- Colouring Pencils
- Smaller Paper Straws
- Larger Paper Straws (Milkshake Size)
- Glue
- Tape / Sellotape
- Scissors

# Step By Step Guide:

1. Print out the rocket template down below - with an adults supervision!
2. Carefully cut around the rocket template with help from a parent or guardian
3. Colour the rocket in with your own design (get creative)
4. Cut the large straws to be shorter than your rockets
5. Seal the top of the cut straw piece with tape. Tape the straw piece onto the back of your rocket
6. Slide the straw piece over a skinnier straw. Blow through the straw to shoot your rocket!

Most importantly have fun and tag us @jaquesoflondon on Instagram so we can see your creations!
