What You Will Need:

- Tissue Paper
- Pom Pom's / Pom Pom Balls
- Dried Pasta
- Tassels
- String
- Glue
- Anything else you want to use for decoration

Step By Step Guide:

1. Begin by collecting all of your items together you will need
2. Cut a piece of string as long as you like. It can be a metre long, half a metre, 2 metres etc. Whatever works best for you and what you want to use it for!
3. Begin by sticking on different pieces you want onto your piece of string
4. Stick different pieces in a different order for a mixed garland
5. Stick the same tassel or pom pom, spread apart, all the way along the string for the same looking garland
6. Make sure you tie the ends so nothing falls off the string!
7. Now you have your very own DIY Christmas Garland to place on your tree or as decoration around your house!
