Straw Tower

Suitable For 3+ Years

Let's EXPLORE

What You Will Need:

- Paper Straws
- Tape
- Bluetack (if preferred)
- Scissors - with a parent or guardian supervision!

Step By Step Guide:

1. Begin by collecting all your straws together
2. Start to build your tower of choice by sticking each straw together
3. You may find you need to bend straws or even cut them into different lengths to fit your shape
4. Make sure each straw is sturdy by taping them strongly together
5. See how high you can build your tower!
6. Some examples of buildings you can copy:
 - Eiffel Tower
 - Leaning Tower of Pisa
 - Blackpool Tower
 - Big Ben
 - Ferris Wheel
 - Empire State Building (381m, try and beat that!)

Don't forget to have fun and make sure to tag us @jaquesoflondon on Instagram so we can see your HUGE towers!
