DIY Bracelet

Suitable For 3+ Years

Let's
PLAY

What You Will Need:

- Coloured Pom Poms
- Beads
- Thread
- String
- Dry Pasta
- Small polystyrene balls (you can paint)
- Paints
- Tape

Step By Step Guide:

1. Use any material you like to link onto your DIY bracelets
2. If you need to paint any of your materials make sure you do this first so they can dry
3. Start by threading your choice of material onto your piece of thread
4. Carefully do this one by one as they start to make a chain
5. Once your bracelet is full make sure you tie it at the end so they don't all fall off!
6. Wear your new bracelet with pride and show it off!
