# Create Your Mondrian Painting In 6 Easy Stages

STAGE 1

Begin by dividing the canvas into sections with vertical and horizontal pencil lines.
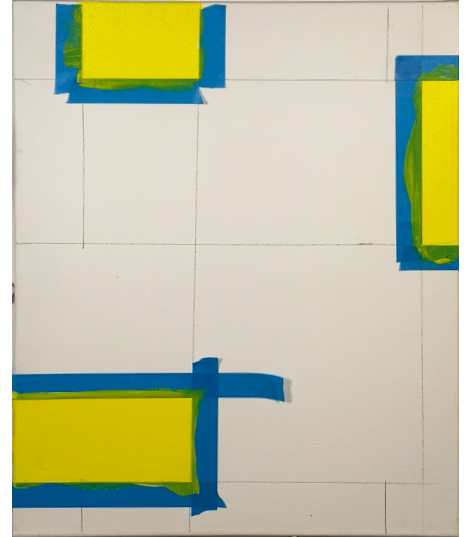

STAGE 2

Using a low-tack masking tape, mask off the yellow sections.

Paint these sections using 005 Lemon Yellow.

Allow the paint to dry before removing the tape.

STAGE 3

Now mask the sections that will be painted using 023 Vermilion.
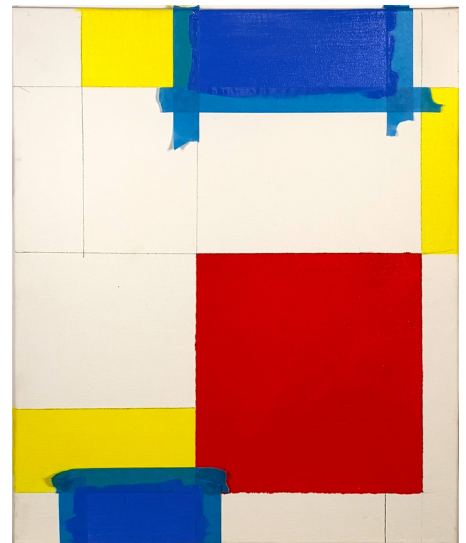

Allow the paint to dry before removing the tape.

STAGE 4

Mask off the blue sections.
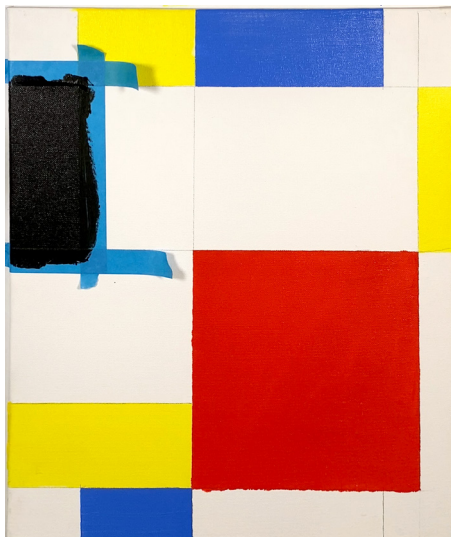

Paint these sections using 096 Cobalt Blue.

Allow the paint to dry before removing the tape.

STAGE 5

Now mask the sections that will be painted using 135 Lamp Black.
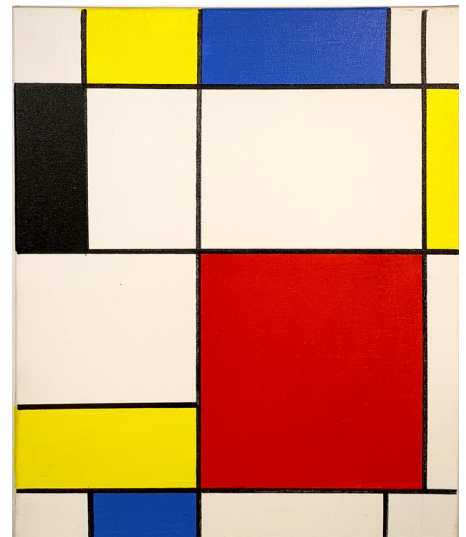

Allow the paint to dry before removing the tape.

STAGE 6

Finally use either 135 Lamp Black paint or paint pen with a rule to add the horizontal and vertical lines.

Your Mondrian painting is now complete.
