

Good hand hygiene protects you and those around you. One of the most important contributions we can make to slowing down transmission of COVID-19 and keeping ourselves and our communities safe is to wash our hands.

Protect yourself during Covid-19

- Clean your hands regularly.
- Wash your hands with soap and water, and dry them thoroughly.
- Use hand sanitiser if you don't have immediate access to soap and water.

Wash your hands step by step guide:

Wet hands

Soap up

Lather and scrub hands for 20 seconds

Rinse hands for another 10 seconds

Dry hands

Turn off tap with towel

SOS ANTIBAC HAND SOAP 5 Litres. Available Now
