

ATMOSPHERIC Storage Tanks

Atmospheric Storage Tanks hold water for peak demand and optimize the use of reverse osmosis and high-purity systems. To completely customize your water treatment solution, tanks are available in various sizes, materials and configurations. **Atmospheric Storage Tanks** are specifically designed for water storage only. These tanks can be used for your farm operation, vineyard, agricultural irrigation, fire protection, water treatment or any other water related uses.

Options

Available Material Options

- Cross-link Polyethylene
- Reinforced Fiberglass
- Stainless Steel

Available Configuration Options

- Conical Bottom
- Dome Tops
- Horizontal Orientation

Available Sizing Options

- Standard Tanks Range in Size from 15 to 1,000 Gallons
- Larger Tanks are Available Through Special Order

Product Specifications

| Part Number | Tank Volume (gal / ltr) | Orientation | Material Type | Diameter (in / cm) | Height (in / cm) |
|-------------|-------------------------|------------------------|---------------------------|--------------------|------------------|
| 200944 | 15 / 57 | Vertical / Flat Bottom | High-density Polyethylene | 14 / 36 | 24 / 61 |
| 200945 | 35 / 132 | Vertical / Flat Bottom | High-density Polyethylene | 18 / 46 | 33 / 84 |
| 200946 | 50 / 189 | Vertical / Flat Bottom | High-density Polyethylene | 18 / 46 | 53 / 135 |
| 200947 | 100 / 379 | Vertical / Flat Bottom | High-density Polyethylene | 28 / 71 | 43 / 109 |
| 200948 | 200 / 757 | Vertical / Flat Bottom | High-density Polyethylene | 30 / 76 | 72 / 183 |
| 200949 | 300 / 1,136 | Vertical / Flat Bottom | High-density Polyethylene | 36 / 91 | 79 / 201 |
| 203291 | 500 / 1,893 | Vertical / Flat Bottom | High-density Polyethylene | 48 / 122 | 73 / 185 |
| 203292 | 750 / 2,839 | Vertical / Flat Bottom | High-density Polyethylene | 48 / 122 | 103 / 262 |
| 203293 | 850 / 3,218 | Vertical / Flat Bottom | High-density Polyethylene | 48 / 122 | 118 / 299 |
| 203294 | 1,000 / 3,785 | Vertical / Flat Bottom | High-density Polyethylene | 64 / 163 | 80 / 203 |
