

THE CULOTTES

Two styles of culottes: a simple fluid flat front version or a more complex pleated option.

Fusible interfacing – A strip										
10cm wide by	68	73	78	83	88	93	99	103	108	112
Or 4" wide by	27	29	31	33	35	37	39	41	43	45

Fabric Suggestions Light to medium weight woven fabrics: Cotton drill, canvas, denim, woolen suiting. Choose cottons for pressed pleats and more fluid woolens or crepe constructions for softer pleats.

Also required 18cm/7" zip, a button or hook & bar fastening for the waistband and matching thread.
