Mineral & Earthy

Scribe Winery in Sonoma, Calif. produces vibrant, terroir-driven wines. The winery- founded in 2007 on a property that pioneered pre-prohibition Sonoma Valley winemaking- is managed by fourth-generation California farmers and brothers, Andrew and Adam Mariani.

Scribe Winery's Carneros Chardonnay is fermented in concrete. It's never casked in oak and does not go through malolactic fermentation, meaning it is a pure expression of the Chardonnay grape varietal uninfluenced by oak and malolactic flavours. Its aromas include candied and green apple, which follow onto the palate along with notes of apple blossom and quince. It has a rich medium body with assertive acidity without oakiness or buttery flavours.

It will pair beautifully with smoked or grilled fish, roasted root vegetables, and other seafood—or makes a great wine to enjoy on its own.

About the Winery

Scribe Winery

Scribe Winery in Sonoma, California, produces vibrant, terroir-driven wines. The winery—founded in 2007 on a property that pioneered pre-prohibition Sonoma Valley winemaking—is managed by fourth-generation California farmers and brothers, Andrew and Adam Mariani. Andrew and Adam believe that the best wines are a result of a healthy relationship between man and nature, and that a vineyard managed in harmony with the greater ecosystem results in more site-specific wines that represent a sense of time and place. When vinified with non-interventionist methods, the result is a distinct wine that faithfully reflects what the vineyard naturally expresses.
