Strong and flexible wallbracket

- Robustly designed hook for extra durability
- Extendable modular build wall bracket system to fit user needs
- Adjustable design to suit user preferences, with either rubber clips or hooks
- Uses same screw holes as wall bracket, art. no. 0615
- Fully dismantable for cleaning
- *Holds all Vikan colour coded products, except for art. no. 5686

The perfect wallbracket
Hangs forever!

The perfect wallbracket
Easy to clean!

- Storage of clean equipment ensures good hygiene practice and extends tool life
- You can extend the bracket with additional modules
- You can mix rubber clips and hooks
- Easy to clean – the hooks and clips can be dismantled and sterilized in an autoclave
- This wallbracket is an important part of the Vikan Hygienic Zone Planner®
- Available in two sizes:
Art. No.: 1017: 155 mm for 1-3 products
Art. No.: 1018: 393 mm for 4-6 products
