### Light & Fruity

Elios was born from the passion of two young Sicilian friends, they joined together to develop their families' farms and to bring them to their full potential after finishing their university studies. Elios prides itself on making minimum intervention, low sulfite wines with native Sicilian, organic grapes grown between Alcamo, Camporeale and Monreale; areas all located in the north-west part of Sicily. The wine making focuses on respect for the varietal, and aims to deliver an easy drinking, approachable style.

'Glou Glou' is a light red made from Nerello Mascalese grapes macerated only for 1 day on the skins and fermented exclusively in stainless steel tanks. This results in an uncomplicated, thirst-quenching red perfect to 'snack-on'. It's fresh, savoury and mineral, with aromas of fresh red fruits such as cherries and strawberries on the nose, and a nice combination of spices.

Enjoy Elios' Glou Glou by the glass or with a charcuterie board.

## About the Winery

### Elios

"Elios" was born from the passion of these two young Sicilian friends. With a true love for their land, they joined together to develop their families' farms and to bring them to their full potential after finishing their university studies. The farm and vineyards are located near Palermo in north west Sicily. Along with olive groves and an apiary, they grow the native Sicilian grapes Grillo, Catarratto, Zibibbo and Nero d'Avola on their organic vineyards.

Elios prides itself on making minimum intervention, low sulfite wines with native Sicilian, organic grapes grown between Alcamo, Camporeale and Monreale; areas all located in the north-west part of Sicily. The wine making focuses on respect for the varietal, and aims to deliver an easy drinking, approachable style.
