New equipment should be cleaned, disinfected, sterilised and any labels removed, as appropriate to its intended use, e.g. high risk vs. low risk food production areas, general hospital areas vs. intensive care units, before use.

1. See Declaration of Compliance for further details on food contact

The product is not compliant with the European Brushware Federation (FEIBP) charter due to the split filaments.

3. Do not store the product below 0° Celsius.
