

TTP001

Seamless knitted cut resistant sweatshirt

The 001 sweatshirt is a highly cut resistant garment designed to protect workers in industries such as glass manufacturing, metal fabrication, automotive manufacturing and waste recycling.

The advanced garment design is developed using the latest in cutting edge technology and manufacturing techniques. Soft and lightweight, the fabric has a 'cool to the touch feel' and the inclusion of under arm vents ensures maximum wearer comfort. Fully washable at up to 60°C/ 140°F with no impairment to the cut resistant properties.

Product Specifications

Product Name	CRS
Product Code	001
Sizes	S – 5XL (Larger sizes can be made to order)
Base	Tilsatec – RhinoYarn®
Construction	Seamless Knit
Origin	England

Packaging

Internal Packaging	Per piece
---------------------------	-----------

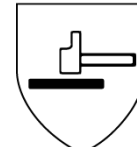

Performance

ANSI 105: 2016

CUT

EN388: 2003

2 5 4 1
