PLAY

What You Will Need:

- Flowers / Leaves from the Garden
- Iron (if needed to press the flowers)
- Laminating Sheets
- Laminator
- Watercolour Kit
- Paint brushes
- Scissors
- Hole Punch

Step By Step Guide:

1. Start by collecting some flowers or leaves from your garden or an outside area
2. Make sure they are completely dry by leaving them out to dry
3. Alternatively, you can carefully use an iron to press over the top of the flowers
4. Then place into your laminate sheets
5. Carefully put through the laminator
6. Paint on watercolour to create a colourful design
7. If you prefer, you can just press the flowers without laminating after and gift as a present
