How To : Reuse, Repurpose or Recycle Our Boxes

Ideas:

- Recycle your boxes in your waste paper bin so that they can be turned into your next Cereal box, paper towel or drawing paper!
- Get Creative with masking tape and safety scissors to build your own fort, armour or crown!
- Get out your paints and pens and let your imagination run wild to make our boxes into decorations that'll inspire your little ones!

Why not follow our task below to make your very own planter!

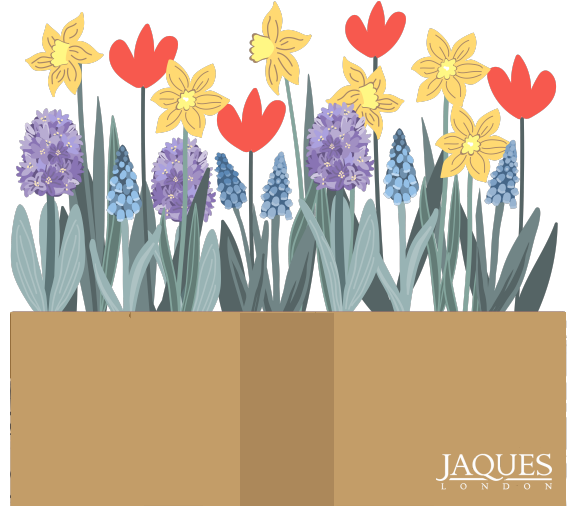

How To :

Create an urban planter

What you need:

- Cardboard box
- Soil
- Seeds
- Water
- Plastic shopping bag

- Take your Jaques box and place a plastic bag over it so that the inside is covered.
- Add soil into the box so that it is full and there is enough room to add in your plants.
- Make a small hole to add in your choice of seeds, saplings or plants.
- Cover it with soil, place it in a area with good natural light and water as per your seed packet.
- Watch your very own little farm flourish!
