PRODUCT DESCRIPTION

CLICK Sunrocker. CLICK sunrocker is a small design experiment that succeeded! You use yourself, your body, as counterpoint and your weight shift determines whether you are in a sitting or a lying position. Do not touch anything, tear or pull. Just lean forward or back. Sit, lie. That simple. Lamellas can be removed and replaced on the frame, which makes it possible to mix and change colours.

MATERIALS

Powder coated metal for outdoor use with PP plastic lamellas and bamboo armrests.
