

MAKE MY DAY

A soothing face cream rich in antioxidants and super foods. Protects against all harsh elements. Leaving you with a revitalized complexion and balanced moisture levels while naturally slowing the signs of aging.

100% natural • 79% organic

Algae silica (algica) - porous shell of algae organically cultivated in Sweden.

- Cleanses impurities, sweat, bacteria
- Boosts delivery of vitamins, nutrients
- Ability to bind moisture levels
- Potential as an environmentally friendly nontoxic UV filter

Squalane – improves skin elasticity, provides anti-inflammatory benefits

Jojoba seed oil – reduces appearance of acne and wrinkles

Cocoa seed butter – natural source of antioxidants, protects skin

Oat kernel oil – moisturizing, soothing, anti-inflammatory properties

Rosehip oil – high in natural antioxidants, increases cell regeneration

Blueberry seed oil – Promotes repair of damaged skin, reduces fine lines

Turmeric – fights off acne, prevents loss of skin elasticity

Hyaluronic acid – retains skin moisture, enhances collagen levels

Vitamin E – powerful antioxidant to nourish and protect your skin
