
HOW TO PLAY

- 1** One player reads a card aloud. They are now the judge.
- 2** Everyone now votes in secret, using their whiteboards, for who they think should be tagged with the card. You do not want to be tagged with the card.

- 3** Now everyone reveals who they voted for. The player with the most votes gets the card.
- 4** If there is a tie, the judge ultimately decides who gets the card. This player keeps the card and loses a point (-1). Keep track of score on top of the dry-erase board.
- 5** After the reveal, everyone is encouraged to share any stories or other reasons that helps explain their vote!
- 6** When a player reaches negative 7 points (7 cards), the game ends and that player is declared the loser. There are no winners.
- 7** Each player in the group now reads aloud all of the cards they have been tagged with.
