NOTES

1. Bib of Romper is worked first, back and forth in rows. Colorwork rainbow is worked in intarsia. To change yarn color, work last st of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete st. Proceed with new color. Do not cut old color. Carry colors not in use under sts of current working color.
2. Rainbow can be worked following written instructions or reading Chart. Read RS rows of Chart from right to left and WS rows from left to right.
3. When bib is complete a long chain is added to lower edge of Bib to beg back of Romper and work proceeds in rnds from waistband downwards.
4. Piece is divided at top of legs and lower back and front worked separately, back and forth in rows, downwards.
5. Romper is shown fastened with buttons between legs. If you choose to use buttons, never leave child unattended when they are wearing Romper. For a safer fastening, we suggest you purchase a length of snap tape. use sewing needle and doubled length of thread to hand sew the tape securely along crotch opening.
