NOTES

1. Cowl is made from a rectangle worked back and forth in rows. Short ends of rectangle are then sewn together to make a ring.
2. Five identical cables are worked evenly spaced across rectangle. Each cable is worked in a different yarn color and 4-sts of yarn color A are worked between cables. Before beginning, wind A into 6 separate balls, B into 3 separate balls, and C into 2 separate balls. Work each cable and section of main color using a separate ball of yarn.
3. To change yarn color, work last st of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete st. Proceed with new color. Do not fasten off old color. Carry colors not in use along WS of piece.
