STITCH EXPLANATIONS

s2kp (slip 2, knit 1, pass over) Slip next 2 sts as if to knit them tog, knit 1, pass the 2 slipped sts up and over the knit st and off the needle – 2 sts decreased.

yo (yarn over)

An increase that also creates a small decorative hole (eyelet) in the fabric, worked as follows:

1. Bring yarn to front, between the needles.
2. Take yarn to back, over the right needle. This creates the new st. You are now ready to proceed with the next st as instructed.

TECHNIQUE EXPLANATION

Cable Cast On

*Insert right needle between first 2 sts on left needle, wrap yarn and pull through (as if knitting a st), transfer new st to left needle; rep from * for desired number of sts

NOTES

1. Shawl is worked back and forth in rows from the lower point upwards.
2. Piece is worked in Garter st (k every st of every row) with columns of slip sts evenly spaced across. Increases (yo) are worked at the beg and end of each RS row to shape Shawl.
3. Yarn color is changed following Stripe Sequence.
4. After Shawl is knit, crochet hook is used to work surface slip stitch stripes along the slip st columns to create a plaid look.
5. With yarn in front (wyif) refers to the side of the work facing you as you work the row.
6. When you see 'as established' in the instructions, this means to continue in the current pattern st, lining up sts as in previous rows.
7. Circular needle is used to accommodate sts. Work back and forth in rows on circular needle as if working with straight needles.

STRIPE SEQUENCE

*Work 10 rows with A, and 2 rows with B; rep from * for Stripe Sequence.

Rows 4-11: Rep Rows 2 and 3 for 4 more times, change to B at beg of Row 11 – 23 sts in Row 11.

FINISHING

Crochet Surface Slip Stitch Stripes

With B, work a crochet surface slip stitch stripe along each of the slip st columns.

Beg at leftmost slip st column. Hold yarn at back side (WS) of piece.

Insert hook from RS to WS through first slip st in column; leaving a long beg tail, yarn over and draw loop through to RS (1 loop on hook), * insert hook from RS to WS through next slip st in same column, yarn over and draw loop through to RS and through loop on hook (1 crochet surface slip st made); rep from * all the way to the end of the column.

Fasten off.

Rep until crochet stripes have been made over each slip stitch column.

Fringe

Cut strands of A and B about 11in. (28 cm) long. For each fringe, hold 4 strands of the same color yarn together and fold in half. Use crochet hook to draw fold through and eyelet (yo) along a diagonal edge of piece, forming a loop. Pull ends of fringe through this loop. Pull to tighten. Make a fringe in each eyelet along both diagonal edges, alternating 4 A-colored fringes with 1 B-colored fringe, and using 4 strands of yarn in each fringe.

Trim fringe evenly.

Weave in ends.
