NOTES

1. Scarf is worked back and forth in rows, changing yarn color following Chart.
2. Each box on Chart represents one single crochet (sc) worked with the indicated yarn. Read odd-numbered rows from right to left and even-numbered rows from left to right.
3. To change yarn color, work last st of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete st. Proceed with new color. Do not cut old color. When not in use, carry A along tops of sts of previous row and work sts of current row over the top of the carried strand. When not in use, leave B, C, D, E, and F on WS of piece and pick strand up again when needed in next row.
4. Fringe is added to both short ends of completed Scarf.
