Leven Wall Light

Showcasing structural beauty. Inspired by the striking formations of smooth, sea-eroded cliff faces and ridged headlands that distinguish the north coast of Cornwall, the Leven Lighting Range effortlessly elevates space with its tiered drum aesthetic.

Meaning 'level' in Cornish, the Leven Wall Light is handcrafted using four tiers of curving oak or walnut timber that tautly wrap around a central plywood frame. Each layer of sustainably sourced wood builds a balanced silhouette of careful craftsmanship. Use the Leven Wall Light to illuminate hallways, living spaces and bedrooms alike as the versatile downlighting effect is suited to a myriad of interiors.

Glow beyond. Elevate your interior.
