Leven Flush Ceiling Light

Leven Large Flush Ceiling Light

Showcasing structural beauty. Inspired by the striking formations of smooth, sea-eroded cliff faces and ridged headlands that distinguish the north coast of Cornwall, the Leven Lighting Range effortlessly elevates space with its tiered drum aesthetic.

Meaning 'level' in Cornish, the Leven Flush Ceiling Light is handcrafted using three tiers of curving oak or walnut timber that climb a central plywood frame summit. Secured at the seams with four brass accented rivets, each taut layer of sustainably sourced wood builds a balanced silhouette of careful craftsmanship. Suited to lower ceiling heights and smaller interiors, this compact variation of the Leven Pendant offers the same modern aesthetic and appeal as its full-sized counterpart, without taking up too much space.

Glow beyond. Elevate your interior.
