Leven Drum Floor Light

1568mm

Ø555mm

Showcasing structural beauty. Inspired by the striking formations of smooth, sea-eroded cliff faces and ridged headlands that distinguish the north coast of Cornwall, the Leven Lighting Range effortlessly elevates space with its tiered drum aesthetic.

Meaning 'level' in Cornish, the Leven Drum Floor Light is handcrafted using four tiers of curving oak or walnut timber that climb a central plywood frame summit. Secured at the seams with five brass accented rivets, each arching layer of sustainably sourced wood builds a balanced silhouette of careful craftsmanship. Use the Leven Drum Floor Light to brighten a myriad of contemporary living spaces that call out for sophisticated illumination.

Glow beyond. Elevate your interior.
