NOTES

1. Pillow cover is worked in 2 pieces: Front and Back.
2. Front is worked back and forth in rows, changing yarn color following a Chart. Each box on Chart represents one single crochet (sc) worked with the indicated yarn. Read RS rows of Chart from right to left and WS rows from left to right.
3. To change yarn color, work the last st of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete st. Proceed with new color. Do not cut old color. Carry yarn color not in use along tops of sts of previous row and work current sts over the top of the carried strand.
4. Back is worked back and forth in rows with a single yarn color.
