

Wegner Queen Chair

By Hans J. Wegner, 1960

Model	1010 - Easy chair
About	The feminine counterpart to the Ox Chair is Hans J. Wegner's Queen Chair, which shares many of the same features. With its ample, almost cylindrical armrests and high, majestic back that extends up to support the neck, the Queen Chair is an equal match for the Ox Chair's masculine presence. Regal yet relaxed, the Queen Chair embodies Wegner's belief that for a design to be striking it must be based on practicality.
Product group	Lounge chairs
Measurements	36.2" x 38.98" D x 35.43" H Seat: 14.2"
