

SPHÈRE ROSÉ

IGP Pays d'Oc

Creations

Winemaker's note

Sphere captures the spirit of the South of France, elegant and friendly, in an attractive vintage of Chardonnay with subtle floral aromas.

Discover the unique and airy character of its very fine bubbles, for all your moments of sharing and relaxation, for meals or as an aperitif.

A wine, very fine bubbles, all for a tasty moment!

Winegrower's note

Soft and progressive pressing helps preserve the quality of the berries. Only the first juices are selected to develop this cuvée.

Once fermentation is complete, the wine is left to resting to avoid oxidation and keep a maximum of endogenous carbon dioxide.

Tasting notes

Sphere rosé is a crystalline and radiant wine.

Its nose is intense and reveals aromas of small red fruits.

Very fine bubbles are revealed during the tasting, bringing a pleasant freshness and lightness to the palate of a beautiful size, where we find the notes of red fruits.

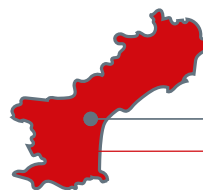

Serve between 9 and 12 ° C, with tapas and dishes from the South of France such as octopus salad, spicy olives.
