yo (yarn over)

NOTES

1. Throw is worked in one piece, back and forth in rows.
2. The Throw is made with 9 different pattern sts and 11 sections. Each section is worked with a different yarn color.
3. When working the different sts and sections, the st count will not change.
4. A circular needle is used to accommodate the number of sts. Work back and forth in rows on circular needle as if working with straight needles.
5. When you see 'work in pattern as established' in the instructions, this means to work the next row of the current pattern, lining up sts as in previous rows.
