Model  
291 & 292

# KITCHEN & FOOD SERVICE SOLUTIONS: HANDHELD FOAM & SPRAY

The **ProFoam** and **ProSpray** hose-end dispensers are engineered for durability and user-friendliness. These cost-effective, robust solutions are designed for applying a variety of common cleaning chemicals across multiple uses. Both dispensers come with a sturdy 48-ounce bottle, featuring a wide-mouth opening for easy refilling and extended use. The quick-connect fittings facilitate rapid detachment and simple rinsing, making them extremely user-friendly. The ProFoam dispenser blends air, chemical, and water to produce an ideal foam consistency, while the ProSpray offers a specialized spray tip for an efficient fan spray pattern. Additionally, both models are equipped with DEMA's precision metering tips and dilution chart (found in the instruction sheet), allowing users to adjust the dilution rate to their specific needs.

## Features & Benefits

- ◆ 48 oz bottle with wide opening for easy refills
- ◆ Metering tips for precise dilution of chemicals
- ◆ Ergonomic grip to reduce fatigue during use
- ◆ Wide bottle base to prevent tipping
- ◆ Water supply immediately turns off when user lets go of the handle
- ◆ Metric and U.S. fluid ounce measurement markings on the bottle
- ◆ Stainless steel male quick connect provides added durability for extended product life

**ProFoam  
Model 291**

**ProSpray  
Model 292**

**Stainless Steel male quick connect  
comes standard on all units**

# Applications

- ◆ Kitchen and Food Service
- ◆ Agriculture and Livestock
- ◆ Animal Facilities/Veterinary Offices
- ◆ Asphalt Release
- ◆ Automotive Cleaning and Detailing
- ◆ Construction
- ◆ Food and Beverage Production
- ◆ Hospitality Industry
- ◆ Plant Fertilizers and Treatments
- ◆ School and Hospital Cleaning
- ◆ Shower Sanitation
