NOTES

1. For each Skeleton, Legs are worked first then joined together to beg Body. Body is worked upwards to shoulders then Head is worked directly on to top of Body.
2. Arms and Cap are worked separately and sewn to Body.
3. All pieces are worked in continuous rnds (spiral). Do not join last st of rnds to first st and do not turn rnds.
4. Pieces are stuffed and sewn together then details are embroidered.
5. One ball each of A and B are sufficient to make both Skeletons.
6. Exact gauge is not essential for this project. Work tightly so that stuffing does not show through spaces between stitches.
