NOTES

1. Tunic is made in 5 pieces: Back, Front, 2 Sleeves, and Belt.
2. Back, Front, and Sleeves are worked, back and forth in rows, from lower edge upwards.
3. A circular needle is used to accommodate sts. Work back and forth in rows on circular needle as if working with straight needles.
4. When you see 'as established' in the instructions, this means to continue in the current pattern st, lining up sts as in previous rows.
5. When you see work 'even' in the instructions, this means to continue on in the pattern st you have established without changing the st count by increasing, decreasing, or binding off.
