NOTES

1. Cardi is made from 3 pieces: Back and 2 Fronts.
2. Each piece is worked from the lower edge upwards.
3. The sleeves are worked directly onto Fronts and Back.
4. A circular needle is used to accommodate the sts, work back and forth on circular needle as if working on straight needles.
5. With yarn in back (wyib) refers to the side of the work that is away from you as you work the row. To move yarn from front to back or back to front, bring yarn between needles. Take care not to wrap yarn over a needle, this could create an additional st.
6. When you see 'as established' in the instructions, this means to continue in the current pattern st, lining up sts as in previous rows.
